Jabra PanaCast 50

- **More natural conversations**
 Astounding sound from the world leaders in professional audio.
- **Powerful Analytics**
 On-boarding sensors and AI-powered chipset deliver room usage insights.
- **Unique 180° field of view**
 Capture everyone in the room to maximize space.
- **Device management**
 Network-connected system enables easy remote management.
- **AI-driven intelligent camera experiences**
 For more inclusive, immersive, and natural collaboration.
- **Built-in Content Camera**
 Real-time whiteboard streaming for more inclusive remote collaboration.

Lenovo ThinkSmart Core + IP Controller

- **Powerful and secure performance**
 The Lenovo ThinkSmart Core features the 11th Gen Intel® Core™ vPro® i5 IoTG processor with Intel® Iris® Xe graphics for optimized business productivity and reliability.
- **Collaborate face to face**
 The sleek 10.1-inch, 10-point touch display with the familiar Microsoft Teams interface allows users to initiate and control the meeting, share content, and communicate easily.
- **Easy to Manage**
 Preloaded with ThinkSmart Manager software for remote manageability.
- **Security**
 Built-in security solutions from Lenovo ThinkShield and Microsoft offer two more layers of protection on top of the Intel® vPro® platform, which provides the world's most comprehensive hardware-based security for business.
- **Fits Anywhere**
 Wall mountable and can be installed up to 100 meters from the compute without the hassles of extenders, complicated installation, and needing power at the table.

Certified for Microsoft Teams Rooms. Designed for the following room solutions:

Small Meeting Room

Mid-Size Meeting Room

Signature Meeting Room

Certified for Microsoft Teams Rooms up to 18' x 20'.
